Starbuck's is Here!

Our own Starbuck's at CSUMB has just opened in the Student Center. We are thrilled at this new addition and hope you give it a shot!

All of your favorite Starbuck's drinks are available as well as the tasty breakfast pastries and sandwiches.

Be on hand February 15th. for the official ribbon cutting where you will be able to sample pastries and coffee and the first 100 people will receive a free reusable mug.

The new Starbucks in the Student Center is 100% alumni run and student operated. Both the manager, Jessica Grijalva, and supervisor, Darrell Collins are recent graduates of CSU Monterey Bay. The store is staffed entirely by students bringing new meaning to the phrase, "For Students by Students."

Starbucks Hours of Operation

Mon-Thurs: 7am-10pm Saturday: 10am-10pm
 Friday: 7am-8pm Sunday: 12pm-10pm

OBR Re-Opening!

Mark your calendars for January 30th for the grand reopening of the Otter Bay Restaurant.

As you may know the University Center has had some construction going on this last semester with a new roof being add to the building. The OBR was closed due to the construction, and now will be reopening with a new menu having been added as well.

Some of your favorites like the Mozzarella Sticks and the OBR Burger are back, but all new Appetizers, Salads, and Entrees have been added and the prices are the best part!

Stop by for Dinner Monday through Friday and see our changes!

OBR Hours of Operation

Mon-Thurs: 4pm-8pm
 Friday: 4pm-10pm

CREATING EXCEPTIONAL STUDENT EXPERIENCES

STUDENT INSIGHTS

INNOVATION

Exotic Fish?

We're not talking about raiding your tropical fish tank, but as concerns about overfishing of traditionally appreciated varieties continue, and industry players learn more about which fish are most successfully farmed, you may start seeing lesser-known fish — wild and otherwise — in your local fish market and on menus.

Paiche, fugu, and toadfish for everyone!

Farm Stand CSUMB 2011

Everyone's Harvest

Local Produce is the feature at the Farm Stand Event that will be happening in the Quad on February 16th.

Use your Blocks to purchase some of the freshest local fruits and vegetables being offered right in the Quad.

The farm stand will be set up and available from 11-1 and will also feature some local bakeries as well.
